

Company Culture Checklist

I have a good sense of how employees feel today about the company

I have a good sense of our external employer brand (Glassdoor, Indeed, Muse)

If someone spent a day at our office or in a virtual meeting they would feel our culture

We are continuously inspecting how our actions align with our company values

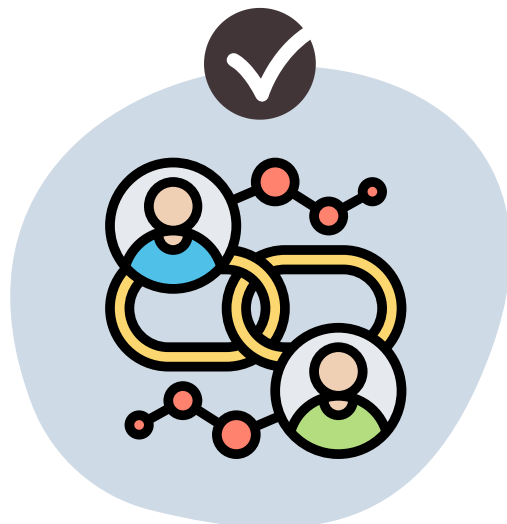

Company Culture Checklist

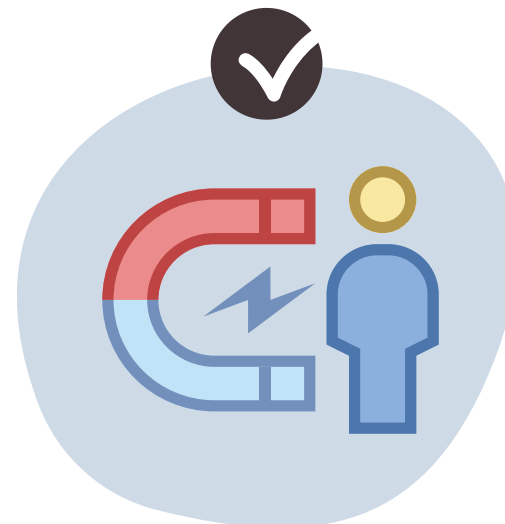

Employees can easily and concisely describe our company culture

Most employees would refer their friends to work for the company

Employees embrace and feel connected to the company culture

Our company culture attracts and helps to retain top talent
